

## QUALITY POLICY

### VISION

**EPCOGEN Private Limited aspires to be a reputed international engineering services provider, offering design and detailing solutions to all Process Industries**

The said vision shall be achieved through a comprehensive and systematic approach to all aspects of our business activities.

EPL is committed to meet the customer requirements and to comply with regulatory requirements in Design, Engineering, Project Management, Procurement assistance, Inspection and site supporting services.

To meet this commitment, EPL will set and achieve quality objectives as a holistic service provider in all divisions and at all levels by establishing, implementing and maintaining an effective Quality Management System.

EPL senior management is responsible for engaging, directing and supporting their team members to contribute to the effectiveness and continually improving of the QMS. All employees are responsible for identifying the quality related risks associated with their work and contributing to minimize the risks.
